

Dear ISOPARB members

Wish you all a very happy 2016.

This New Year marks a new beginning for the PATNA chapter of ISOPARB which is created by joining of 30 new life members. By now, the membership of ISOPARB has increased markedly. I hope that gradually we are in the way of becoming one of the largest federations in perinatology.

During last two years i.e. Jan 2014-2016, there has been huge number of activities and big increment in life membership of ISOPARB from all over India.

Below are the activities of ISOPARB from March 2014 to January 2016.

I request our members' from north and the west zones to send their activity report.

Long live ISOPARB, long live its members

Yours sincerely

Dr Supriya Jaiswal
